3.	HSS	Provided technical support in commemorating world malaria day by organizing various events like interaction with provincial high-level authorities, screening of malaria in various hospitals and medical colleges, conducting school health program.	With the technical support, one pager technical brief was prepared and disseminated in the schools; prepared and presented on the global scenario
4.	HSS	Participated and facilitated one day workshop on minimum initial service package (MISP) readiness assessment in Gandaki Province organized by Health directorate with support from UNFPA and NRCS.	Based in the findings from the assessment, Provincial action plan has been prepared.
5.	HSS	Participated and facilitated on Provincial SRHR TWC meeting to share the updates on the activities and plans in SRHR, maternal and neonatal death audits, discuss on the progress made on the ongoing Maternal and Newborn health research, discuss, and explore ideas to materialize the plan to start Midwifery course in Gandaki province and share updates regarding the air ambulance services.	
6.	HSS	Participated in the interaction and discussion meeting to prepare Annual Policy and Program for the FY 2080/81 and provided technical support to draft the same.	A draft of annual policy and program sent to Policy, planning, public health and population division chief

7.	WHE	Confirmation for renovation of meeting hall in MoSDH.	Vendors will soon be deployed to Pokhara for construction of the hall
8.	WHE	Conduction of SORMAS Master Trainers for Training (MtoT) for Provincial team	Total of 20 MToT created for SORMAS.
9.	WHE	Completion of training for SORMAS users to local level from 5 Districts	Training completed for Nawalparasi, Tanahun, Myagdi, Parbat and Syangja District. Training for the remaining District will resume from 21 st May to 26 th May.
10.	WHE	Facilitated on Orientation on Infection Prevention and Control for COVID-19 Preparedness and response and Waste management for the health workers of Lomanthang Rural Municipality	
11.	WHE	Handover of Emergency Medical Deployment Bag Pack to Medical superintendent of Mustang and Manang Hospital	
12.	WHE	Completion of Preliminary Assessment of Mustang Hospital for the establishment of Electronic Medical Recording system.	
13.	WHE	Facilitated on Hub and Satellite Hospital Network Coordination meeting organized by PHEOC which included 2 Hub and 28 Satellite Hospitals of Gandaki province	The meeting was 2 nd in the province and 1 st meeting organized by PHEOC in 2022/23.
14.	WHE	Technical Support in Protection, Gender Based, Equality and Emergency Health Program Workshop organized by Nepal Red Cross Society, Gandaki Province	Presentation was done by Dr Narayan Shrestha, PHEOC focal person on Health Emergency Response and Gender Based Violence During Disaster in Gandaki Province.
15.	WHE	Participated in Provincial Ambulance Management Steering Committee	WHO is a member of Provincial Steering Committee

		meeting conducted in Ministry of Social Development and Health	
16.	IPD	Celebrated world Immunization week	Printed 2000 copy " <i>Khoja ra Khopa Abhiyan</i> " poster and distributed in all 11 districts of Gandaki Province
17.	IPD	Introduced the two independent monitors to be deployed for routine immunization monitoring.	Deployed in Myagdi district
18.	IPD	One zero dose child who just turned 5 years old was identified during house-to-house visit.	The child is an orphan and looked after by her paternal aunt who informed that the child was diagnosed with tuberculosis today at Dhaulagiri hospital of Baglung.
19.	IPD	Suspected measles cases sample shipment to NPHL through WHO IPD Pokhara FO	Total 14 Suspected measles cases were collected from the districts
20.	IPD	One 10 months child found positive measles case in Nawalparasi-E district and other suspected case search completed in the area.	Positive measles case was from Bulingtar RM-1, Thambesi.
21.	IPD	Visited to reported AEFI case and took all necessary detail history and data are collected with investigation and treatment history from Hospital. Visited to patient and patient's guardians and take detail history. Visited to Nayagaun Urban Health center from where the baby was vaccinated and developed an AEFI of rashes all over the body.	An AEFI case after MR II and TCV vaccination was reported from Pokhara Metropolitan city Health section and was admitted in the hospital.
22.	IPD	Attended the Full Immunization Declaration and Sustainability Program	In Gorkha, Mustang and Kaski districts
23.	IPD	Regular VPD surveillance and case search in the districts (Telephonic and field visit)	In all 11 districts of Gandaki Province

24.	NCD and MH	Facilitated two batches of PEN training at Tanahun district for service providers	Lack of Trainers for PEN has affected the arrangement of training. Conduction of TOT program will help with the issues.
25.	NCD and MH	Facilitated “One day mental health camp” organized by PHD, Ministry and TPO Nepal at Manavsewa ashram	Regular medicines were available. Lack of regular medical human resource has affected the service delivery. Regular OPD and rehabilitation service should be supported by government especially to vulnerable people.
26.	NCD AND MH	Facilitated “One day mental health camp” organized by PHD, Ministry and TPO Nepal at Prison office	Regular drugs and regular OPD services should be continued. New cases for anxiety and depression were screened.
27.	NCD and MH	Facilitated mhGAP module II-B training organized by Health Office, Manang	Special priority should be provided to Manang for supply of free drugs as there is lack of private pharmacy. Lack of well facilitated hospital has also affected the health services.
28.	NCD and MH	Field supervision of health care centers of Manang	Lack of basic essential drugs has affected the health services. Hospitals new building if started early will also help to provide quality services to patients

Recommendations and Kind Request for Additional/Special Support from the Federal/Provincial /Local Government.

S.N.	
1	Allocation of funds (MoSDH, HD) for SORMAS review meetings to be conducted in the field (Districts) as well as at Province.
